TO THE HONORABLE BURTON R. LIFLAND,  
UNITED STATES BANKRUPTCY JUDGE:

Baker & Hostetler LLP (“B&H”), as counsel to Irving H. Picard, Esq., trustee (the “Trustee”) for the substantively consolidated liquidation proceeding of Bernard L. Madoff Investment Securities LLC (“BLMIS”) under the Securities Investor Protection Act (“SIPA”), 15 U.S.C. § 78aaa *et seq.*,<sup>1</sup> and Bernard L. Madoff (“Madoff”), individually (collectively, the “Debtor”), respectfully submits this thirteenth application (the “Application”) on behalf of the Trustee and itself for an order pursuant to § 78eee(b)(5) of SIPA, §§ 330 and 331 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 2016(a) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and the Order Pursuant to § 78eee(b)(5) of SIPA, sections 105, 330 and 331 of the Bankruptcy Code, Bankruptcy Rule 2016(a), and Local Bankruptcy Rule 2016-1 Establishing Procedures Governing Interim Monthly Compensation of Trustee and Baker & Hostetler LLP, dated February 25, 2009 (ECF No. 126), as amended on December 17, 2009 and June 1, 2011 (ECF Nos. 1078, 4125) (collectively, the “Second Amended Compensation Order”), allowing and awarding (i) interim compensation for services performed by the Trustee and B&H for the period commencing May 1, 2013 through and including July 31, 2013 (the “Compensation Period”), (ii) reimbursement of the Trustee’s and B&H’s actual and necessary expenses incurred during the Compensation Period, and (iii) release of \$8,755,062.54 of the holdback, and in support thereof, respectfully represents as follows:

**I. PRELIMINARY STATEMENT**

1. The work completed by the Trustee and B&H during the Compensation Period yielded significant results for BLMIS customers and the liquidation. As recognized by the United States District Court for the Southern District of New York (the “District Court”), the

---

<sup>1</sup>References hereinafter to provisions of SIPA shall omit “15 U.S.C.”

Trustee “has worked relentlessly over nearly three years to bring assets that passed through [BLMIS] back into the customer fund, in order to restore nearly \$20 billion in customer losses.” *Picard v. J.P. Morgan Chase & Co.*, 460 B.R. 84, 89 (S.D.N.Y. 2011). Through pre-litigation and other settlements, which were approved by this Court and/or the District Court, the Trustee has successfully recovered, or reached agreements to recover, more than \$9.35 billion as of July 31, 2013—more than 53% of the \$17.5 billion of principal lost in the Ponzi scheme by those who filed claims—for the benefit of all customers of BLMIS with an allowed claim.<sup>2</sup>

2. On October 5, 2011, the Trustee, with this Court’s approval, distributed \$311.854 million, or 4.602% of each BLMIS customer’s allowed claim, unless the claim had been fully satisfied. Subsequent to October 5, 2011 and through the end of the Compensation Period, an additional \$189.843 million was distributed as catch-up payments, bringing the total first interim distribution amount to \$501.697 million.<sup>3</sup>

3. On September 19, 2012, the Trustee, with this Court’s approval, distributed \$2.479 billion, or 33.556% of each BLMIS customer’s allowed claim, unless the claim had been fully satisfied. Subsequent to September 19, 2012 and through the end of the Compensation Period, an additional \$1.161 billion was distributed as catch-up payments, bringing the total second interim distribution amount to \$3.640 billion.<sup>4</sup>

---

<sup>2</sup>Almost \$20 billion of principal was lost in the Ponzi scheme in total. Of the \$20 billion, approximately \$17.5 billion of principal was lost by those who filed claims.

<sup>3</sup>Subsequent to the Compensation Period ending on July 31, 2013, an additional \$13.937 million was distributed as catch-up payments, bringing the total first interim distribution amount to \$515.634 million through November 21, 2013.

<sup>4</sup>Subsequent to the Compensation Period ending on July 31, 2013, an additional \$101.623 million was distributed as catch-up payments, bringing the total second interim distribution amount to \$3.742 billion through November 21, 2013.

4. On March 29, 2013, the Trustee, with this Court's approval, distributed approximately \$506.227 million, or 4.721% of each BLMIS customer's allowed claim, unless the claim had been fully satisfied. Subsequent to March 29, 2013 and through the end of the Compensation Period, an additional \$1.929 million was distributed, bringing the total third interim distribution amount to \$508.156 million.<sup>5</sup> When combined with the approximately \$501.697 million first interim distribution, the \$3.640 billion second interim distribution and approximately \$808.677 million of advances committed by the Securities Investor Protection Corporation ("SIPC"),<sup>6</sup> the Trustee has distributed approximately \$5.459 billion to BLMIS customers through the end of the Compensation Period.<sup>7</sup> This represents a significant milestone in this litigation, with 1,106 BLMIS accounts fully satisfied through the end of the Compensation Period. The 1,106 fully satisfied accounts represent more than 50% of accounts with allowed claims.

5. No administration costs, including the compensation of the Trustee and his counsel, will be paid out of any recoveries obtained by the Trustee for the benefit of BLMIS customers. Because the percentage commission schedule for trustees found in § 326(a) of the Bankruptcy Code is not applicable in a SIPA liquidation, *see* § 78eee(b)(5)(C) of SIPA, no applications filed by the Trustee have or will ever include a fee request based on recoveries made by the Trustee for the benefit of BLMIS customers. Rather, all fees, expenses, and

---

<sup>5</sup>Subsequent to the Compensation Period ending on July 31, 2013, an additional \$14.297 million was distributed as catch-up payments, bringing the total third interim distribution amount to \$522.453 million through November 21, 2013.

<sup>6</sup>SIPC committed to pay approximately \$808.677 million through July 31, 2013 and approximately \$811.247 million through November 21, 2013. The difference between the amount committed to pay by SIPC and the amount actually advanced to customers depends on whether the Trustee has received an executed assignment and release from the customer. Thus, the amount of SIPC advances requested by the Trustee and paid for allowed customer claims is less than the amount of SIPC advances committed by the Trustee.

<sup>7</sup>The Trustee has distributed approximately \$5.591 billion to BLMIS customers to date.

administrative costs incurred by the Trustee and his counsel including, but not limited to, B&H, various international special counsel retained by the Trustee (collectively referred to herein as “International Counsel”), various special counsel to the Trustee (collectively referred to herein as “Counsel”), including Windels Marx Lane & Mittendorf, LLP (“Windels Marx”), Young Conaway Stargatt & Taylor, LLP (“Young Conaway”), Greenfield Stein & Senior LLP (“Greenfield”), and La Tanzi, Spaulding & Landreth, P.C. (“La Tanzi”), and consultants, are paid out of administrative advances made by SIPC. As this Court affirmed: “Again, the emphasis is that these fees . . . are not coming from any of the victims, and they’re not coming from the estate.” Fifth Appl. Hr’g Tr. 32:15-17, Dec. 14, 2010.

6. As the Trustee’s and his counsels’ fees and expenses are chargeable to the general estate and not to the fund of customer property (the “Customer Fund”), the payment of the same has absolutely no impact on the Trustee’s current and future recoveries that have been and will be allocated to the Customer Fund for *pro rata* distribution to BLMIS customers whose claims have been allowed by the Trustee.

7. In a liquidation proceeding such as this, where the general estate is insufficient to pay trustee compensation, SIPC plays a specific role with compensation and is required to advance funds to pay the costs of administration. *See* SIPA §§ 78eee(b)(5)(c) and 78fff-3(b)(2). SIPC has carefully reviewed this Application, as it has all other compensation applications, and has closely analyzed the time records and services rendered. Each month, SIPC, the Trustee, and B&H engage in extensive discussions regarding billings, and the Trustee and B&H make reductions where appropriate and finalize the amounts that appear herein. Thus, the requested fees and expenses in this Application include (i) fees at the Trustee’s and B&H’s hourly billable

rates to which a public interest discount of 10% has been applied, and (ii) actual, necessary, and reasonable expenses incurred within the Compensation Period.

8. During the hearing on the Eighth Interim Fee Application, this Court acknowledged the worldwide efforts of the Trustee and his counsel and approved the application:

Well, having heard the description and being well aware of the worldwide activities started off by Bernie Madoff and the sequelae is left for everybody else to follow all the trails and the trails do lead almost everywhere in the world. It is clear under the circumstances that a Herculean effort to follow those trails has been involved both with counsel here in the United States and counsel overseas.

Eighth Appl. Hr'g Tr. 16, Mar. 15, 2012, ECF No. 4736.

9. No single document can capture all of the tasks engaged in by the Trustee and B&H since their appointment on December 15, 2008. Hundreds of thousands of hours have been expended in support of the Trustee's efforts to liquidate the estate, determine customer claims, and advance the interests of all claimants by litigating and settling cases for the return of customer property ("Customer Property"). Moreover, the Trustee has vigorously defended the estate with respect to a number of litigations filed against it and against his protection of Customer Property. The following discussion and materials attached to this Application cover the major categories of services for which allowance of compensation is sought.

10. As this Court has recognized, "[w]ith respect to the kinds of services that have been rendered here, the amounts requested, this is by any stretch of the imagination one of the largest most complex sets of litigation that have come down the pike. It's measured both in quality and quantity in the thousands with deadlines that have come . . . and it is a big stretch for any law firm or any organization to deal with." Sixth Fee Appl. Hr'g Tr. 45:23-46:6, June 1, 2011.

## **II. BACKGROUND**

### **A. THE SIPA LIQUIDATION**

11. The Trustee and B&H's prior interim fee applications, each of which is fully incorporated herein,<sup>8</sup> have detailed the circumstances surrounding the filing of this case and the events that have taken place during prior phases of this proceeding.

### **B. THE TRUSTEE, COUNSEL AND CONSULTANTS**

12. The Trustee and B&H's prior interim fee applications have detailed the description of the Trustee's background and experience.

13. In rendering professional services to the Trustee, B&H has utilized a legal team comprised of professionals with extensive experience in areas such as bankruptcy, securities, tax, corporate, and litigation, permitting the Trustee to conduct this liquidation efficiently.

14. The Ponzi scheme perpetrated by Madoff through BLMIS was vast in scope, long in duration, and broad in its geographical reach. The Trustee, with the assistance of his counsel, has undertaken a comprehensive investigation of BLMIS, Madoff, and hundreds of related individuals and entities. To this end, the Trustee has engaged not only the services of counsel, but also those of forensic accountants and legal experts, including, but not limited to, AlixPartners LLP ("AlixPartners"), the Trustee's consultant and claims agent; FTI Consulting

### C. PRIOR COMPENSATION ORDERS

15. The Trustee and B&H filed applications for allowance of interim compensation for professional services rendered and reimbursement of actual and necessary expenses incurred in prior periods, and this Court approved those applications:

Twelfth Application (ECF No. 5490)	October 17, 2013 (ECF No. 5547)

<sup>9</sup>On March 7, 2013, this Court entered an Errata Order (ECF No. 5258), to correct errors in the First, Fifth, Sixth, Seventh, Eighth, Ninth, and Tenth orders approving prior applications for allowance of interim compensation that were filed by the Trustee, B&H, and certain of the Counsel and International Counsel retained by the Trustee. The Errata Order did not affect the amount of compensation payable to the Trustee, B&H, or any of the Trustee’s Counsel and International Counsel other than, with respect to SCA Creque, an additional \$0.60 became due and owing to that firm.

<sup>10</sup>This order amends and supersedes this Court’s March 19, 2012 order (ECF No. 4735), approving the Eighth Interim Fee Application.

### **III. SUMMARY OF SERVICES**

16. A SIPA proceeding contemplates the processing of customer claims, the orderly liquidation of the business of a broker-dealer, and the return of Customer Property to the failed brokerage's customers. Accordingly, the Trustee's and B&H's services, which are summarized in greater detail below, are comprised of specific tasks that are critical to accomplishing those objectives.

#### **A. HARDSHIP PROGRAM**

17. The Trustee and B&H implemented a Hardship Program in an effort to accelerate SIPA protection for BLMIS victims suffering hardship. The first phase of this program is more fully described in prior interim fee applications. Based on the information received, the Trustee did not sue approximately 250 individuals.

18. The Trustee expanded the Hardship Program into a second phase at the time he commenced avoidance actions. While the Trustee's authority includes the pursuit of avoidance actions to recover Customer Property, the Trustee has not pursued avoidance actions against BLMIS account holders suffering proven hardship. In November 2010, the Trustee announced that, to forego an avoidance action, the account holder must submit financial and other pertinent information. Through this program, the Trustee has worked with a substantial number of applicants to confirm their hardship status and dismissed defendants in avoidance actions.

19. As of July 31, 2013, the Trustee had received 495 applications from avoidance action defendants relating to 314 adversary proceedings. After reviewing the facts and circumstances presented in each application and, in many cases, requesting additional verifying information, the Trustee dismissed 197 Hardship Program applicants-defendants from avoidance actions. As of July 31, 2013, there were 74 applications still under review and 224 that were resolved because they were either withdrawn by the applicant, deemed withdrawn for failure of

the applicant to pursue the application, denied for lack of hardship or referred for consideration of settlement. The Trustee has also extended the time for applicants to answer or otherwise respond to avoidance action complaints while their Hardship Program applications are pending.

20. The Trustee established a Hardship Program Hotline with a telephone number and electronic mail address. A large number of potential applicants have been assisted by the Trustee through the use of this hotline.

**B. THE RECOVERY AND RETURN OF CUSTOMER PROPERTY**

**i. Recoveries Accomplished During The Compensation Period**

21. Without the need for protracted litigation, during the Compensation Period, the Trustee succeeded in settling thirteen cases for \$7,018,327.99. As of July 31, 2013, the Trustee had successfully recovered approximately \$9.35 billion.

22. The Trustee entered into settlements subsequent to the Compensation Period that will bring an additional \$153,774,331.00 into the Customer Fund.

23. The Trustee is also engaged in ongoing settlement negotiations with a number of parties that when completed, could result in additional recoveries for the benefit of customers without the delay and expense of protracted litigation.

24. Through the end of the Compensation Period, the Trustee recovered \$452,905,944.69 as a result of preference and other settlements that were made pursuant to agreements subject to the net equity dispute. The United States Supreme Court (the “Supreme Court”) declined to review the net equity dispute.

25. Due to the release from escrow of the funds received from the Tremont settlement, the Trustee filed a motion for the third allocation and distribution from the Customer Fund, which was granted by this Court on March 13, 2013. Pursuant to this motion, the Trustee

distributed approximately \$508.156 million to customers with allowed claims through the end of the Compensation Period<sup>11</sup>.

#### **IV. DETAILED DESCRIPTION OF SERVICES**

26. Given the unprecedented fraud perpetrated by Madoff, the issues presented by this liquidation are complex, discovery is wide-ranging, and the litigation that has ensued is hotly contested. All of this requires an enormous effort by the Trustee and his counsel for the benefit of the victims. The following is a more detailed synopsis of the significant services rendered by the Trustee and B&H during the Compensation Period, organized according to internal B&H matter numbers and task codes.

27. Matter Number 01 is the general matter number used for tasks by the Trustee and B&H. Task numbers for Matter Number 01 have been assigned for specific categories of work to permit a more detailed analysis of the fees incurred.

28. Matter Numbers 03-73 (with the exception of Matter Number 05, which relates to customer claims) relate to litigation brought by the Trustee and B&H against various individuals, feeder funds, and entities.<sup>12</sup> In each of these matters, the Trustee and B&H attorneys perform several functions, including the following tasks: conduct legal research, draft internal memoranda, engage in internal meetings regarding investigation and litigation strategy, and engage in discussions with counsel for defendant(s). Rather than repeat these tasks, the description of each matter will be limited to matter-specific tasks and case activity that occurred during the Compensation Period.

---

<sup>11</sup>Through November 21, 2013, the Trustee has distributed \$522.453 million in connection with the third allocation and distribution from the Customer Fund.

<sup>12</sup>Reserved and closed matter numbers will not be listed in this Application. Matter numbers reserved or closed during prior compensation periods can be found in the respective interim fee applications.

**A. MATTER 01**

29. This matter categorizes time spent by the Trustee and B&H and encompasses the below enumerated tasks.

**i. Task Code 01: Trustee Investigation**

30. This category relates to time spent with respect to the investigation into BLMIS, Madoff, and various assets.

31. The Trustee is seeking the return of billions of dollars to the estate of BLMIS for distribution to customers in accordance with SIPA. In carrying out his investigation into the many layers of complex financial transactions engaged in by Madoff and those who worked for him, the Trustee has issued hundreds of subpoenas, analyzed the myriad documentation received, and conducted numerous follow-up activities to enforce the Trustee's rights to the return of Customer Property.

32. During the Compensation Period, the Trustee and B&H attorneys initiated, participated in, and monitored international proceedings involving BLMIS. B&H attorneys continued the investigation of banks, feeder funds, auditors, insiders, Madoff's friends and family members, former BLMIS employees, and other Madoff-related parties, as well as continued the investigation of Madoff Securities International Ltd. ("MSIL").

33. B&H attorneys discussed and conferenced with SIPC, Windels Marx, Young Conaway, and International Counsel regarding investigation and litigation strategy, prepared requests for discovery and negotiated other discovery-related issues with adversaries, and organized and reviewed documents received in response to third-party inquiries and subpoenas.

**ii. Task Code 02: Bankruptcy Court Litigation**

34. This category relates to time spent conducting legal research, drafting, and filing various pleadings and motions in the main bankruptcy proceeding that affect the hundreds of adversary proceedings filed by the Trustee.

35. During the Compensation Period, B&H attorneys focused on various administrative tasks relating to the pending litigations. They continued to develop overall case strategies applicable to the pending litigations and researched various legal issues related to those litigations including bankruptcy matters, privilege and evidence.

**iii. Task Code 03: Feeder Funds**

36. This matter categorizes time spent by the Trustee and his counsel pursuing avoidance and recovery actions against entities which maintained accounts at BLMIS and had their own investors. The Trustee and his counsel continue to identify, investigate, and monitor feeder funds in the United States and abroad and bring actions against such feeder funds for the recovery of Customer Property. Separate matter numbers have been assigned to individual feeder funds sued by the Trustee.

**iv. Task Code 04: Asset Research and Sale**

37. This category relates to time spent with respect to the discovery, recovery, and liquidation of various assets for the benefit of the estate.

38. During the Compensation Period, the Trustee and B&H attorneys conducted due diligence in connection with the liquidation of assets held by Madoff Family, LLC; monitored the public filings of Stemline Therapeutics, Inc. and strategized as to its sale; conducted due diligence in connection with certain interests of Madoff Energy LLC and its affiliates; and continued to value the intellectual property interest in Primex, evaluate corporate governance issues and strategize as to its sale.

39. During the Compensation Period, the Trustee continued to recover funds from securities that BLMIS purchased and sold prior to December 11, 2008 in connection with its proprietary trading operations.

**v. Task Code 05: Internal Meetings with Staff**

40. This category relates to time spent by the Trustee and B&H attorneys in internal meetings regarding the liquidation proceeding, investigation and litigation strategy, as well as training sessions for attorneys and paraprofessionals. Internal meetings and discussions have ensured the effective use of time spent on this matter and avoided duplicative efforts.

**vi. Task Code 07: Billing and Trustee Reports**

41. property by BLMIS to or for the benefit of the Chais Defendants. *Picard v. Chais*, Adv. No. 09-01172 (BRL) (Bankr. S.D.N.Y.).

68. In addition to the tasks outlined above, during the Compensation period, B&H attorneys continued to participate in mediation discussions pursuant to the mediation ordered by this Court on July 18, 2012 in *Picard v. Chais* and the related action to enforce the automatic stay and enjoin certain state court third-party actions brought by investors of Stanley Chais and by the California Attorney General. B&H attorneys also continued their investigation of the Chais Defendants and likely recipients of subsequent transfers from the Chais Defendants-related BLMIS accounts.

69. Certain of the Chais Defendants also filed two motions to withdraw the reference to the District Court on April 2, 2012 (docketed as Nos. 12 Civ. 02371 (JSR) and 12 Civ. 02658 (JSR) (S.D.N.Y.)). #### **C. MATTER 04 – MERKIN**

70. This matter categorizes time spent by the Trustee and B&H attorneys pursuing the avoidance action against sophisticated money manager and Madoff associate J. Ezra Merkin (“Merkin”), Gabriel Capital Corporation, and Merkin’s funds: Gabriel Capital, L.P., Ariel Fund, Ltd., Ascot Partners, L.P., and Ascot Fund Limited (together, the “Merkin Defendants”) alleging that Merkin knew or was willfully blind to the fact that Madoff’s investment advisory business was predicated on fraud, and seeking the return of nearly \$560 million under SIPA, the Bankruptcy Code, the New York Fraudulent Conveyance Act, and other applicable law for preferences and fraudulent conveyances in connection with certain transfers of property by

BLMIS to or for the benefit of the Merkin Defendants. *Picard v. J. Ezra Merkin*, Adv. No. 09-01182 (BRL) (Bankr. S.D.N.Y.).

71. During the Compensation Period, B&H attorneys continued to advance the litigation of the Merkin case. Following favorable rulings by the court-appointed discovery arbitrator, including an order in March 2013, the Trustee's counsel continued to press the Merkin Defendants to comply with all aspects of the arbitrator's rulings through written demand letters, as well as multiple meet and confers.

72. B&H attorneys also analyzed the flow of funds from BLMIS to the Merkin Defendants and pursued Rule 2004 discovery from Lauren Merkin who, along with her husband, received subsequent transfers of funds or was the beneficiary of subsequent transfers to Merkin and other third parties.

73. During the Compensation Period, B&H attorneys continued preparing for fact witness depositions and expert discovery by conducting extensive and ongoing analysis of documents produced by the Merkin Defendants and from other third parties. B&H attorneys' tasks included identification of, preparation for and conducting interviews and depositions of potential fact witnesses, including financial industry representatives, and other third parties and defendant witnesses. The Trustee continued to issue additional document requests to the Merkin Defendants. B&H attorneys also issued additional subpoenas for documents from other third parties.

74. During the Compensation Period, B&H attorneys devoted significant time and effort to preparing the third amended complaint, which alleges that Merkin had knowledge of, or was willfully blind to the fraud at BLMIS. The third amended complaint was filed on August

30, 2013 in accordance with an agreed schedule among the Trustee and the Merkin Defendants, and approved by the Court.

75. Following a June 25, 2012 announcement by the New York Attorney General (“NYAG”) of a settlement among the NYAG and the receivers for the Merkin Funds, the Trustee filed a complaint, extensive memorandum of law and related papers seeking an injunction seeking to enjoin the NYAG and the Merkin Defendants from consummating the settlement, and from transferring or otherwise dissipating any assets. *Picard v. Schneiderman (In re Bernard L. Madoff)*, Adv. No. 12-01778 (BRL) (Bankr. S.D.N.Y.), ECF Nos. 1–3. The NYAG and other Merkin Defendants thereafter filed a joint motion to withdraw the reference of the injunction application, which the District Court granted. *Picard v. Schneiderman*, 12 Civ. 06733 (S.D.N.Y.), ECF Nos. 1, 12. Following oral argument on March 25, 2013, the District Court denied the Trustee’s application on April 15, 2013. (ECF No. 53).

76. During the Compensation Period, the Trustee appealed the District Court’s decision to the Second Circuit. *Picard v. Schneiderman*, 13-1785 (2d. Cir. May 7, 2013). The Trustee filed his opening appellate brief on June 6, 2013, the Merkin Defendants and the receivers for the funds filed their responses on July 19, 2013, and the Trustee filed his reply brief on August 7, 2013. As of July 31, 2013, the Trustee has paid or committed to pay \$808,677,373.62 in cash advances from SIPC. This is the largest commitment of SIPC funds of

any SIPA liquidation proceeding and greatly exceeds the total aggregate payments made in all SIPA liquidations to date.

78. As of July 31, 2013, 164 claims relating to 119 accounts were “deemed determined,” meaning that the Trustee has instituted litigation against those account holders and related parties. The complaints filed by the Trustee in those litigations set forth the express grounds for disallowance of customer claims under § 502(d) of the Bankruptcy Code. Accordingly, such claims will not be allowed until the avoidance actions are resolved by settlement or otherwise and the judgments rendered against the claimants in the avoidance actions are satisfied.

**ii. General Creditor Claims**

79. As of July 31, 2013, the Trustee had received 427 timely and 21 untimely filed secured and unsecured priority and non-priority general creditor claims totaling approximately \$1.7 billion. Of these 448 claims and \$1.7 billion, the Trustee has received 94 general creditor claims and 49 broker-dealer claims totaling approximately \$264.9 million. At this time, the BLMIS estate has no funds from which to make distributions to priority/non-priority general creditors and/or broker dealers.

**iii. The Trustee Has Kept Customers Informed Of The Status Of The Claims Process**

80. Throughout the liquidation proceeding, the Trustee has kept customers, interested parties, and the public informed of his efforts by maintaining the Trustee Website ([www.madofftrustee.com](http://www.madofftrustee.com)), a toll-free customer hotline, conducting a Bankruptcy Code § 341(a) meeting of creditors on February 20, 2009, and responding to the multitude of phone calls, e-mails, and letters received on a daily basis, both from claimants and their representatives.

81. The Trustee Website includes features that allow the Trustee to share information with claimants, their representatives, and the general public with regard to the ongoing recovery efforts and the overall liquidation. In addition to containing the Trustee's court filings, media statements, and weekly information on claims determinations, the Trustee Website includes up-to-date information on the status of Customer Fund recoveries, an "Ask the Trustee" page where questions of interest are answered and updated, a letter from the Chief Counsel to the SIPA Trustee on litigation matters, a detailed distribution page, an FAQs page, and a timeline of important events. The Trustee Website is monitored and updated on a daily basis.

82. In addition, the Trustee Website allows claimants to e-mail their questions directly to the Trustee's professionals, who follow up with a return e-mail or telephone call to the claimants. As of July 31, 2013, the Trustee and his professionals had received and responded to more than 7,000 e-mails from BLMIS customers and their representatives via the Trustee Website.

83. The toll-free customer hotline provides status updates on claims and responses to claimants' questions and concerns. As of July 31, 2013, the Trustee, B&H, and the Trustee's professionals had fielded more than 7,700 hotline calls from claimants and their representatives.

84. The Trustee and his team have endeavored to respond in a timely manner to every customer inquiry and ensure that the customers are as informed as possible about various aspects of the BLMIS proceeding.

85. The Trustee and B&H attorneys continued the Trustee's Hardship Program, reviewed hardship applications, and communicated regularly with SIPC and AlixPartners regarding the review and determination of hardship applicants, the customer claims review

process, the customer claims database, reconciliation of investment advisory accounts (the “BLMIS IA Accounts”), and other matters of interest in determining claims.

Vizcaya Partners Ltd.*, Adv. No. 09-01154 (BRL) (Bankr. S.D.N.Y.). The Trustee amended the complaint to add as additional defendants Asphalia Fund Ltd. (“Asphalia”), Zeus Partners Ltd. (“Zeus”), and Siam Capital Management (“Siam”) seeking the return of an additional \$30 million in fraudulent transfers.

88. During the Compensation Period, B&H attorneys continued to advance discovery, including the review of documents for relevance and production in response to the Vizcaya Defendants’ document requests. B&H attorneys coordinated with consultants on background investigations on persons of interest. B&H attorneys also collaborated with foreign counsel with regard to the Trustee’s foreign proceedings in Gibraltar, including preparations for a hearing on a motion to strike the proceeding seeking to enforce the Trustee’s default judgment against Vizcaya and Asphalia. Following the Trustee’s success on opposing the motion, B&H attorneys continued to work with foreign counsel in preparation for the appeal of the Gibraltar Court decisions brought by Vizcaya and Asphalia.

On September 22, 2011, this Court denied in part and granted in part the motions to dismiss. (ECF No. 55). Defendant Andrew Madoff, individually, and as Executor of the Estate of Mark D. Madoff, filed a motion for leave to seek interlocutory review of this Court’s September 22, 2011 decision. (ECF No. 56). Following briefing and oral argument, the District Court denied that motion on December 22, 2011. (ECF No. 74).

Additionally, the Joint Liquidators agreed to make a \$70 million payment to the Customer Fund. The Joint Liquidators also agreed to assign to the Trustee all of the Fairfield Funds’ claims against the Fairfield Greenwich Group management companies, officers, and partners, and the Trustee retained his own claims against the management defendants. Further, the Trustee and the Joint Liquidators agreed to share future recoveries in varying amounts, depending on the nature of the claims.

100. On July 7, 2011, this Court approved a settlement between the Trustee and the Greenwich Funds, wherein this Court entered judgment against Greenwich Sentry in an amount over \$206 million and against Greenwich Sentry Partners in an amount over \$5.9 million. *Picard v. Fairfield Sentry*, Adv. No. 09-01239 (BRL) (Bankr. S.D.N.Y.), ECF No. 107. In the settlement, the Greenwich Funds agreed to permanently reduce their net equity claim from approximately \$143 million to approximately \$37 million, for a combined reduction of over \$105.9 million. Additionally, the Greenwich Funds assigned to the Trustee all of their claims against Fairfield Greenwich Group management and agreed to share with the Trustee any recoveries they receive against service providers.

101. On April 2, 2012, the remaining defendants in the Fairfield Sentry action filed motions to withdraw the reference on a number of issues that later became subject to Common Briefing (as defined herein) and hearings before Judge Rakoff of the District Court. The Trustee briefed and presented argument at the hearings on these issues before the District Court.

(ECF No. 61).

104. On February 26, 2013, the Trustee filed a letter requesting a pre-motion conference on a motion to intervene in the Anwar action. (ECF 1054). On March 8, 2013, the

District Court deemed the pre-motion conference letter to be a motion to intervene and denied the Trustee's request. (ECF No. 1071). On April 8, 2013, the Trustee filed a notice of appeal from the order denying his request to intervene in the Anwar action. (ECF. 1106).

Cohmad Sec. Corp.*, Adv. No. 09-01305 (BRL) (Bankr. S.D.N.Y.).

108. This matter also includes time spent by the Trustee and B&H attorneys pursuing avoidance actions against BLMIS customers who were referred to BLMIS by the Cohmad Defendants and are net winners.

**I. MATTER 13 – KINGATE**

110. This matter categorizes time spent by the Trustee and B&H attorneys pursuing the avoidance action against Kingate Global Fund Ltd. and Kingate Euro Fund Ltd. (together, the “Kingate Funds”), and other defendants, seeking, among other relief, the avoidance and recovery under SIPA, the Bankruptcy Code, New York Debtor and Creditor Law and other applicable law of preferential and fraudulent transfers made by BLMIS to or for the benefit of the Kingate Funds in the approximate total amount of \$875 million.<sup>17</sup> On June 8, 2011, B&H attorneys prepared, filed, and served a third amended complaint, which added a number of additional foreign defendants, significantly expanding the case. *Picard v. Federico Ceretti*, Adv. No. 09-01161 (BRL) (Bankr. S.D.N.Y.), ECF No. 32 (the “U.S. Action”).

111. The Kingate Funds are in liquidation proceedings in the British Virgin Islands and Bermuda under the auspices of court-appointed joint liquidators. The management company for the Kingate Funds and one of the foreign defendants in the U.S. action, Kingate Management Limited (“KML”), is also in a liquidation proceeding in Bermuda, which is being administered by the Official Receiver of Bermuda.

112. The Kingate Funds and all other defendants filed motions in the District Court, or joinders to such motions, to withdraw the reference from this Court on various grounds. *Picard v. Kingate Global Fund, Ltd.*, No. 12 Civ. 02441 (JSR) (S.D.N.Y.), ECF No. 1. The motions were fully briefed and argued before the District Court. Pending a resolution of all issues before the District Court, the Trustee has continued to extend the time for the defendants in the U.S.

---

<sup>17</sup> As a result of a settlement between the Trustee and the United States of America on behalf of the Internal Revenue Service, approved by order of this Court dated December 21, 2011, the aggregate amount of the alleged transfers has been adjusted to approximately \$825 million. See Order, *Sec. Investor Prot. Corp. v. Bernard L. Madoff Inv. Sec., LLC* (In re Madoff Sec.), No. 08-01789 (BRL) (Bankr. S.D.N.Y. Dec. 21, 2011), ECF No. 4602.

action to answer or otherwise respond to the third amended complaint by various stipulations filed with this Court.

113. By an order of the Bermuda Civil Court (the “Bermuda Court”) dated October 3, 2012, upon application of the Kingate Funds’ joint liquidators seeking leave to pursue their claims against Kingate Management and other defendants in Bermuda, the Bermuda Court lifted the litigation stay that was in effect in that jurisdiction and granted other relief in favor of the joint liquidators. On the basis that the Kingate Funds were seeking to recover property that had been transferred from BLMIS, which was Customer Property that the Trustee was seeking to recover in the U.S. action, the Trustee prepared and filed a complaint for declaratory and injunctive relief against the Kingate Funds and an application to preliminarily enjoin the joint liquidators from prosecuting the Kingate Funds’ claims against KML and other defendants in Bermuda. Upon request of the joint liquidators, and in light of the Trustee’s desire, if possible and in the best interests of the estate, to settle all disputes between the parties on a global basis, the Trustee has continued to extend the joint liquidators’ deadline to answer the complaint and the preliminary injunction application.

114. In furtherance of global settlement negotiations with the Kingate Funds, the Trustee’s counsel has continued to discuss settlement with counsel for the joint liquidators of the Kingate Funds, and both parties have taken steps toward documenting a settlement on the terms under negotiation. The Trustee and his attorneys continue to prepare for litigation here and abroad should a global settlement be unavailing despite the Trustee’s best efforts.

117. B&H attorneys also worked with legal counsel for the Thybo Defendants to adjust the schedule for a hearing on a motion by the Thybo Defendants to dismiss the Trustee's amended complaint. (ECF No. 24). On February 15, 2013, the parties entered into a stipulation further adjourning the hearing on the Thybo Defendants' motion to dismiss, in light of the common legal issues that were being addressed in the motion to withdraw the reference proceedings. (ECF No. 55).

119. In April 2012, the District Court instituted a new briefing protocol for pending motions to withdraw the reference, facilitating consolidated briefing on common issues raised in the motions to withdraw (“Common Briefing”). <sup>19</sup>In order to streamline the invoices and related fee applications, as of June 1, 2011, the invoice amounts reflect combined amounts for the Trustee and B&H.

adopted by the Trustee and B&H. After such adjustments, the May Fee Statement reflected fees of \$10,799,624.25. After subtracting the Court-ordered 10% holdback, SIPC advanced \$9,719,661.83 for services rendered and \$233,145.87 for expenses incurred by the Trustee and B&H.

212. Pursuant to the Second Amended Compensation Order, on July 25, 2013, the Trustee and B&H provided SIPC with their statements of fees and expenses incurred in connection with this case regarding the period from June 1, 2013 through June 30, 2013 (the “June Fee Statement”). The June Fee Statement reflected fees of \$10,653,690.60 and expenses of \$149,603.36. SIPC’s staff requested certain adjustments and made suggestions, which were adopted by the Trustee and B&H. After such adjustments, the June Fee Statement reflected fees of \$10,285,157.70. After subtracting the Court-ordered 10% holdback, and subject to further adjustment, SIPC will advance up to \$9,256,641.93 for services rendered and up to \$149,603.36 for expenses incurred by the Trustee and B&H.

213. Pursuant to the Second Amended Compensation Order, on August 22, 2013, the Trustee and B&H provided SIPC with their statements of fees and expenses incurred in connection with this case regarding the period from July 1, 2013 through July 31, 2013 (the “July Fee Statement”). The July Fee Statement reflected fees of \$10,828,647.45 and expenses of \$430,114.10. SIPC’s staff requested certain adjustments and made suggestions, which were adopted by the Trustee and B&H. After such adjustments, the July Fee Statement reflected fees of \$10,402,242.30. After subtracting the Court-ordered 10% holdback, and subject to further adjustment, SIPC will advance up to \$9,362,018.07 for services rendered and up to \$427,463.84 for expenses incurred by the Trustee and B&H.

214. Exhibit B annexed hereto is a schedule of the B&H professionals, including the Trustee, and B&H paraprofessionals who have provided services for the Trustee during the Compensation Period, the capacity in which each individual is employed by B&H, the year in which each attorney was licensed to practice law, the hourly billing rate charged by B&H for services provided by each individual, the aggregate number of hours billed by each individual, and the total compensation requested for each individual, prior to the 10% discount.

215. Exhibit C annexed hereto is a summary of compensation by work task code and matter number for total number of hours expended and total fees for services rendered by B&H professionals and paraprofessionals. The 10% discount is taken off the total cumulative amount billed, as reflected on Exhibit C.

216. Exhibit D annexed hereto provides a schedule of the expenses for which reimbursement is requested by B&H.

217. Exhibit E annexed hereto is a calculation of the Holdback amounts and the release sought, explained below in Section VI.

218. There is no agreement or understanding among the Trustee, B&H, and any other person, other than members of B&H, for sharing of compensation to be received for services rendered in this case. No agreement or understanding prohibited by 18 U.S.C. § 155 has been made or will be made by the Trustee or B&H.

219. To the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Compensation Period, but were not classified or processed prior to the preparation of this Application, the Trustee and B&H reserve the right to request additional compensation for such services and reimbursement of such expenses in a future application.

**VI. RELEASE OF THE HOLDBACK**

220. The Compensation Order established an orderly, regular process for the allowance and payment of interim monthly compensation and reimbursement to the Trustee and B&H. (ECF Nos. 126, 1078, 4125). Pursuant to the Compensation Order, payment of a percentage of the approved compensation – initially twenty percent (20%), subsequently reduced to fifteen percent (15%), and thereafter further reduced to ten percent (10%) – is deferred through the conclusion of the liquidation period or until further order of the Court (the “Holdback”).

221. For this and prior Compensation Periods, the amount of the Holdback for the Trustee’s and B&H’s fees is \$35,020,250.14, which includes \$3,148,702.42 held back in connection with this Application. The Trustee and B&H seek a release of the Holdback in the amount of \$8,755,062.54, upon the consent and approval of SIPC.

222. The SIPC recommendation filed in support of the fees and expenses requested in this Application will also support the release of the Holdback in the amount of \$8,755,062.54 for the Applicants.

223. The Applicants and SIPC respectfully request that this Court authorize the release of Holdback payment to the Applicants in the amount of \$8,755,062.54.

**VII. THE REQUEST FOR INTERIM COMPENSATION SHOULD BE GRANTED**

224. Section 78eee(b)(5)(A) of SIPA provides in pertinent part that, upon appropriate application and after a hearing, “[t]he court shall grant reasonable compensation for services rendered and reimbursement for proper costs and expenses incurred . . . by a trustee, and by the attorney for such a trustee . . . .” Section 78eee(b)(5)(C) of SIPA specifically establishes SIPC’s role in connection with applications for compensation and the consideration the Court should give to SIPC’s recommendation concerning fees. That section provides as follows:

In any case in which such allowances are to be paid by SIPC without reasonable expectation of recoupment thereof as provided in this chapter and there is no difference between the amounts requested and the amounts recommended by SIPC, the court shall award the amounts recommended by SIPC. In determining the amount of allowances in all other cases, the court shall give due consideration to the nature, extent, and value of the services rendered, and shall place considerable reliance on the recommendation of SIPC.

SIPA § 78eee(b)(5)(C).

225. To the extent the general estate is insufficient to pay such allowances as an expense of administration, § 78eee(b)(5)(E) of SIPA requires SIPC to advance the funds necessary to pay the compensation of the Trustee and B&H. *See* SIPA § 78fff-3(b)(2).

226. While the Trustee has recovered or entered into agreements to recover approximately \$9.35 billion as of July 31, 2013, a significant portion of these funds must be held in reserve pending final resolution of several appeals and disputes.

227. Accordingly, the Trustee has determined that, at this time, he has no reasonable expectation that the general estate will be sufficient to make a distribution to general creditors or pay administrative expenses. The Trustee has been advised by SIPC that it concurs in this belief of the Trustee. Any fees and expenses allowed by this Court will be paid from advances by SIPC without any reasonable expectation by SIPC of recoupment thereof.

228. Therefore, with respect to this Application, the Trustee and B&H request that consistent with § 78eee(b)(5)(C) of SIPA, the Court “shall award the amounts recommended by SIPC.” *See In re Bell & Beckwith*, 112 B.R. 876 (Bankr. N.D. Ohio 1990). SIPC will file its recommendation to the Court with respect to this Application prior to the hearing scheduled to be held on December 12, 2013.

229. The Trustee and B&H submit that the request for interim allowance of compensation and expenses made by this Application is reasonable and complies with the

provisions of the Bankruptcy Code governing applications for compensation and reimbursement of expenses, pursuant to § 78eee(b)(5) of SIPA.

### **VIII. CONCLUSION**

230. The Trustee and B&H respectfully submit that the services rendered during the Compensation Period and accomplishments to date merit the approval of the fees and disbursements requested herein, and respectfully requests that the Court enter Orders as follows: (i) allowing and awarding \$31,487,024.25 (of which \$28,338,321.83 is to be paid currently and \$3,148,702.42 is to be held back through the conclusion of the liquidation period or until further order of the Court) as an interim payment for professional services rendered by the Trustee and B&H during the Compensation Period, and \$810,213.07 as reimbursement of the actual and necessary costs and expenses incurred by the Trustee and B&H in connection with the rendition of such services; (ii) releasing \$8,755,062.54 to the Trustee and B&H from the Holdback; and (iii) granting such other and further relief as the Court may deem just and proper.
